Show the Cub Scout Salute

Point your first two fingers of your right hand out straight and close together. Touch the tips of the fingers to your cap or if not wearing a cap then to your eyebrow. A salute is a way to show respect. When you salute a leader (either adult or other Scout), you show him or her that you respect their position. When you salute the flag, you show that you are proud of your country.

My friend is a Scout!

List names of friends you want to be in Cub Scouts with you.

Ask your Mom or Dad to invite them to the next meeting. You will receive a patch when your friend joins!

Say the Cub Scout Motto

The Cub Scout Motto is “DO YOUR BEST”

Do Your Best means trying your hardest, not just a little bit. Do your best all the time. Do your best in school and at home. Do your best when you play a game and help your team. Do your best as you work on your rank advancements.

Make the Cub Scout Sign

Make the sign with your right hand and with your arm held straight up. The two fingers stand for the Scout Oath and the Scout Law. They look like a wolf's ears ready to listen to Akela. Give the Cub Scout Sign when you say the Scout Oath or Scout Law.

Show the Cub Scout handshake

The handshake is done by putting the index and middle fingers of the right hand against the other person's wrist when shaking hands.

Cub Scouts and Cub Scout leaders use this handshake everywhere in the United States. The handshake signifies that those who use it help others and obey the Scout Oath and Law.
