Dear Scouters,

Camp Durant is excited to be hosting Cub Scout Summer Camp in the summer of 2022. This camp for Cub Scout Tigers through Webelos Arrow of Light Scouts, is an experience to put the “Outing” into Scouting! Scouts will have the opportunity to camp in the outdoors, in platform tents or bring their own tents, work on Adventure Loops, explore the outdoors and experience the “wild” environment of OSR!

Camp Durant is the primary summer camping facility of the Occonechee Council. Camp Durant is a part of the Occonechee Scout Reservation, a 2,400 - acre (9.7 km<sup>2</sup>) tract in northwestern Moore County, North Carolina. The property straddles the geographic division of the Piedmont and Sandhill regions of North Carolina.

The traditions of OSR at Camp Durant, a place where Scouts go fishing, swimming and boating, and to have a “wild” experience like the deer and other animals do roaming freely on the property is what we want to offer to you and your Scout.

It is our honor and privilege to provide the best experience for you and your Scouts, to continue the traditions of Occonechee Scout Reservation. In an effort to help you prepare for your summer adventure, this guidebook has been compiled to convey the details about our programs, procedures, and services that will be most important for the success of your camping experience.

Please take the time to read this document and familiarize yourself with Cub Scout Camp and its features.

We invite you to come to Camp Durant this summer for Cub Scout Summer Camp and experience the “Wild Wild West” adventures at OSR!

# SUMMER CAMP FEES

\$ 100.00 First Camper

\$ 50.00 Second Camper (or Sibling)

\$ 30.00 Leaders/Parents

Registration Deadline: June 1st, 2021

\$ 10.00 Per Person *Late Fee* after deadline

## Leadership:

Parent/Partner is required for all Cubs attending without a Pack

*\*\* Rising first graders (Tiger Cubs) can participate in resident camping along with their adult partner.*

Packs/Dens: Two-deep Registered Leadership is required for every six (6) Youth.

## Refund Policy:

All fees are refundable until June 1st, 2021. After that, registration fees are NOT REFUNDABLE unless there are extenuating circumstances totally beyond the control of the Scout/Scouter. Documentation by a third party (i.e., Doctor) will be required before credit will be issued. Refund Checks will be issued within 30 days after Cub Summer Camp.

## Medical Services:

Parents/Guardians are responsible for administering medications and keeping said medications located in a secure place. Refrigeration, if required, is available at the Health Lodge. There will be a Staff Medic to assist with medical emergencies. The camp utilizes 911 services for Moore County.

## **POLICIES & PROCEDURES**

### **Parking:**

Visitor parking is available in the large parking area in front of the Administration Building. Parking will be at the campsites for camper convenience. Handicap driving passes will be handled on a case-by-case basis.

### **BB Guns:**

We provide all the BB guns, targets and BB's. All equipment used in the shooting sports program is under the supervision of the Shooting Sports Director.

### **Insurance:**

Each registered scout in the Occoneechee Council attending camp will be covered by health and accident insurance. This coverage is secondary and is in effect only when the individual is not covered under any other policy.

Out of Council Units/Scouts, must provide a copy of their Council's Proof of Insurance which can be requested through your Council Headquarters.

### **Immunizations:**

The State of North Carolina Immunization Unit requires that all persons attending camp have adequate immunizations which consist of those listed on Part B of the medical form.

### **Camp Emergency:**

An emergency drill will be conducted your first day at camp. In the event there is a camp-wide emergency, a plan is in place to deal with a lost person, missing swimmer or other accidents. In the event that an emergency is declared, a camp-wide siren will be signaled and you will be required to report to the Grand Lodge with your Scout/Unit.

### **Camping:**

Each campsite hold approximately 20, two (2) person tents on pallets.

Scout/Parent/Guardian will share a tent. For those bringing more than one camper, youth & adults will be provided separate lodging. Each site has a bath house with flush toilets & showers. All sites have covered shelters with picnic tables.

# MEDICAL POLICIES

## Health Forms:

All Scouts and Adults must have Parts A & B of the Annual Health and Medical Record Form and a copy of their insurance information. The newest form should be used and is available at: [www.scouting.org](http://www.scouting.org). Please keep in mind that the Health Forms process is designed for each participant's personal safety. Diligence in this process makes the difference between a great experience or a poor one. Any participants who do not have a completed Health Form will be restricted from all activities until form is completed.

The Individual Scout & Pack's Health Forms will be kept on file for the program sessions in the Health Office and will be returned at the end of the camp. Even if a leader or a participant is arriving late, all efforts should be made to have that person's Health Form with the Pack during check-in, so the Health Officer can review all of the Pack's forms together.

A screenshot of a form titled "Part A: Informed Consent, Release Agreement, and Authorization". The form includes fields for "Full name:" and "DOB:". Below these are sections for "Informed Consent, Release Agreement, and Authorization" and "I hereby consent to the release of my personal and confidential information...". There are checkboxes for "I am a high adventure base participant" and "I am a youth participant". At the bottom, there are fields for "Participant signature" and "Parent/guardian signature" with dates. A footer says "Prepared For Use" with a logo.

## Medicines:

As a requirement of the Boy Scouts of America all prescription medicines need to be kept in its original container and stored in a locked container. The OSR Health Lodge is available to store medications or an Adult Leader may be designated within the Unit to keep the medications locked up in their campsite. A lockable tackle box works perfectly for this. Epi-pens, inhalers, insulin or other medication or device used in the event of life-threatening situations may be carried by a Scout, but should be brought to the medical check.

## Youth Protection Policies:

The Boy Scouts of America is committed to the highest standards for youth safety. Youth Protection requires sustained vigilance and we work every day to protect children through mandatory policies.

- ◆ The Boy Scouts of America requires adults accompanying a Scouting Unit who are present at the activity for 72 total hours or more must be registered as a leader, including the completion of a criminal background check and Youth Protection training.
- ◆ One-on-One contact between adults and youth members is prohibited.
- ◆ Privacy of youth is respected. Adult leaders and youth must respect each other's privacy, especially in situations such as changing clothes and taking showers at camp.
- ◆ Adults may not share a tent with a member of the opposite sex unless they are married.
- ◆ No youth may share a tent with an adult or person of the opposite sex other than a family member or guardian.
- ◆ The buddy system should be used at all times. The buddy system is a safety measure for all Scouting activities. Buddies are encouraged to select each other, with no more than two years age difference.
- ◆ Hazing and initiations are prohibited and may not be included as part of any Scouting activity.
- ◆ No bullying. Verbal, physical and cyber bullying are prohibited in Scouting.

# GENERAL CAMP INFORMATION

## Visitors:

For your protection, all campers (youth & adult) who leave camp must check out and in with the Camp Office. Day Visitors are not allowed to stay overnight at Camp Durant. Please note that the camp wide speed limit is 15 MPH.

If a camper must leave camp and is picked up by a parent or guardian, a driver's license must be provided to the camp office in order for that camper to leave.

Visitors may eat in the Grand Lodge Hall - to do so, a meal ticket must be purchased from the Trading Post. A visitor meal ticket is \$10.00.

## Alcohol, Drug & Tobacco Policy:

It is the policy of the Boy Scouts of America that the use of alcoholic beverages and controlled substances are not permitted in camp or activities on property owned and operated by the Boy Scouts of America, or at any activity involving participation of youth members.

For the health of all Scouts and Leaders, please respect the rights of all others and refrain from smoking at Camp Durant. This includes the use of electronic cigarettes, personal vaporizers or electronic nicotine delivery systems that simulate tobacco smoking.

## Pets in Camp:

In compliance with Boy Scouts of America policy, no pets will be allowed in camp during the summer camp season

## INTERNET ACCESS

Camp Durant has internet access at the Grand Lodge, Administration Building, Health Lodge, STEM & Sullivan Center. Each Scoutmaster will be issued a password in their check-in packet.

## CELL PHONE SERVICE

Camp Durant is in a remote area and cell phone service is unreliable. Some carriers, like Verizon & T-Mobile have slightly better reception than others. Camp is meant for getting away from it all!! Enjoy the break!

# UNIFORMING

## Field Uniforms (Dress)

Evening Assembly, Meals  
and Campfires

## Activity Uniform

Check-In& Out      Activities during the day/evening  
When a Cub Scout wears a Scout related t-shirt with Scout shorts & socks, its called a “BSA Activity Uniform”. The BSA Activity Uniform is casually called a Class “B” Uniform.

Shoes: Closed toe shoes for all activities

Water Shoes/Sandals - waterfront/showering

**\*No Open Toe shoes or flip flops!**

## **In Case of Emergency**

Occoneechee Scout Reservation has a Health Lodge open 24 hours a day and is managed by staff members trained in handling accidents and illnesses. There are also hospitals and clinics nearby. If this kind of treatment is required, the Scout's parents will be notified by telephone and their wishes concerning treatment will be respected. If such a trip is required, we ask that a Scout's Leader drive the Scout to the hospital. This way the Health Officer will still be in camp to treat any other potential injuries.

In the event of a camp-wide emergency, the camp siren may sound. At which, everyone in camp should report to the Grand Lodge and wait for further instructions from Camp Staff. The Camp Staff undergoes training in handling common types of emergencies. A camp-wide emergency situation may consist of severe weather, wildfire, missing campers, missing swimmers, or any possible severe medical emergency. Anyone who becomes aware of an emergency situation or danger should notify a Staff Member who will contact Camp Leadership.

## **Wildlife**

Occoneechee Scout Reservation is a wilderness setting where it is common to encounter various forms of wildlife such as deer, turkey, fox, racoons, snakes, turtles and more. Bites from animals are extremely rare, but precautions should be taken. Observe wildlife from a distance so they are not scared and do not disturb wildlife just for a better look.

## **Safety Tips**

Safety is the first priority at camp. Here are a few helpful tips for a fun, safe camping experience.

- ◆ No riding in the back of trucks or trailers
- ◆ Wear closed-toed shoes
- ◆ Always use the buddy system; 2 or more Scouts go everywhere together
- ◆ Fires should be completely extinguished before leaving the campsite; please do not create new fire rings.
- ◆ Follow Whittling Chip procedures when using knives.
- ◆ Use insect repellents containing DEET or Permethrin.
- ◆ Carry flashlights when walking at night.
- ◆ Shake out clothing and shoes before wearing them.
- ◆ Keep food out of tents.
- ◆ Check for ticks & tick bites daily (tick bites treated within 12 hours rarely have any long-term effects).

## Firewood

We ask that Packs do not bring their own firewood. If a Pack would like to have a campfire, ask the Camp Durant Staff and they will provide you with firewood, you can also collect downed wood from the forest.

## Lost & Found

Lost and Found is located at the Grand Lodge. If you lose something during your stay, check with the Camp Staff to see if the item has been turned in. To make it easier to recover lost items, Scouts should clearly mark their items with their name and Pack number.

If you get home and discover a missing item, call the Camp Office (910) 948-2382 for the missing item. After the summer camping season, all items in the lost and found will be donated or thrown away.

## Special Dietary Needs

At Durant, our first priority is the safety and well being of our campers. We have systems in place to ensure that all Scouts and Leaders who have special dietary needs or food allergies are accommodated at camp.

We can store supplemental food in our Dining Hall Kitchen, prepare a modified menu or work with Scouts, Parent(s) or Leaders to provide alternatives. Please make the Camp Director and Food Service Director aware of special dietary needs or allergies at least 2 weeks prior to your arrival at camp. This can be done by filling out the Special Dietary Needs Form (page 23) and emailing to: [laureen.gillie@scouting.org](mailto:laureen.gillie@scouting.org). This will facilitate preparations for the Scouts or Leaders with a special dietary needs and allow contact with the Scout's Parents before camp if necessary.

## Trading Post

Camp Durant operates a Trading Post. The Trading Post stocks items from camp souvenirs, craft items, pocket knives, some camping supplies, ice cream & snacks. The Trading Post is open during the days and evenings and hours of operation will be posted for your convenience. Master Card and VISA are accepted.

# SIX ESSENTIALS for HIKING & CAMPING CHECKLIST

While doing any outdoor activity with your Cub Scouts, each Scout should have the following six essentials.

## FIRST AID KIT

Cub Scouts will only need a small kit of their own. Their kids should have some adhesive bandages, moleskin to prevent blisters, antibiotic ointment (single use packages work great), and insect bite pain reliever. This is not a comprehensive list, but it will get your Cub Scout started.

## FLASHLIGHT

For camping and to have at night.

## FILLED WATER BOTTLE

Keeping your Cub Scout hydrated is crucial, especially when it is hot out. Everyone should have a water bottle that will hold enough water for the entire hike. If you're going on a longer hike and need to carry more water, a Camelbak hydration pack is a great solution.

## SUN PROTECTION

We all know how important sun-screen is - even when its cloudy. Also a hat and lip balm.

## TRAIL FOOD

Trail mix, granola bars, fruit... Food that is healthy, energy boosting and does not need to be refrigerated.

## WHISTLE

There are two things your Cub Scouts need to know about the whistle:

- 1) It's only for emergencies
- 2) Three blasts of the whistle means "HELP!"

\*It might be a good idea to practice the help signal before the hike or during a Den Meeting in order for the Scouts to understand the rules associated with the whistle.

Remember, everyone going on the hike, or camping trip needs to have their own (this includes parent partners and leaders). Each Cub Scout needs to carry these items in their own backpack.

## Open Areas

There is plenty for Cub Scouts to do at Cub Summer Camp. There are Den times scheduled where Dens are free to enjoy all Durant has to offer. Dens may go on a hike, go fishing, swimming or boating on Nello Teer Lake. The Camp Staff will have the Climbing Tower, BB and Archery Ranges open for Cubs to use. There is a Gaga Ball Pit and Cubs can even search for fossil sharks teeth near the STEM Center. There is a lot of exciting things to do at Camp Durant and the Open Den Time is a chance to see a little bit of all that can be done at camp.

## Flag Ceremonies

The camp will assemble for Flag Ceremonies in the morning and evening. Scouts and Leaders are expected to attend the Flag Ceremonies in full BSA Uniform. Packs will have the opportunity to show off cheers and run-ons during Roll Call. Cubs are encouraged to be creative, but longer skits and songs are better suited for meals & Campfires.

## Leaders Meeting

Leaders Meeting will be held Friday after breakfast on the Grand Lodge patio. At the Leaders Meeting, adults will receive updates on any special events happening for the day and have an opportunity to ask questions.

## Swim Checks

All Cubs and Adults who wish to participate in any waterfront activities (including swimming and boating) must complete a swim check and be classified according to their swimming ability.

Swim checks will take place at the waterfront after check-in from 2:30 to 4:00 PM with qualified lifeguards. Each Cub and adult will be assigned a buddy tag.

Camp Durant - OSR

## TIGER ADVENTURES

**Backyard Jungle** - In this adventure, Tigers will learn that there are many types of living things that share the place where we live. All animals, plants and insects have a purpose in our environment. It is everyone's duty to be mindful of other creatures' habitats. Regardless of their age, Tigers can make a difference.

**Tiger: Safe & Smart** - In this adventure, Tigers will learn that a safe child is one who is aware of his or her surroundings and knows how to respond to danger.

**Sky is the Limit** - This adventure will help Tigers learn about the mysterious night sky.

**Tiger in the Wild** - Tigers will learn to put the "outing" in Scouting with this outdoor adventure. They will start to develop an understanding of the Outdoor Ethics Program as they are introduced to many skills that will be important throughout their Scouting careers.

**Floats & Boats** - This adventure will teach Tigers about different types of boats, how to build a boat using recycled materials and how to stay safe on the water.

**Shooting Sports Award** - Beyond capturing the enthusiasm that Scouts show for Shooting Sports, the Cub Scout Shooting Award Program is to encourage Cub Scouts the development of safe shooting practices and proficiency in Shooting Sports. As a Cub Scout participates in shooting sports activities and works towards an award, not only are they building confidence in their abilities, but they also develop self-reliance, sportsmanship and conservation awareness - all elements of good character valued in Scouting.

Camp Durant - OSR

## WOLF ADVENTURES

**Call of the Wild** - Many join Scouting because they want to go camping. This adventure will introduce Wolves to several camping skills - selecting and bringing gear, participating with families in campfire shows and being prepared for bad weather. They will also learn about animals they might see, the Leave-No-Trace Principles for kids, tying knots and how to handle potentially harmful situations.

**Paws on Path** - This adventure will encourage the development of hiking skills in Wolves.

**Air of the Wolf** - This STEM-based adventure helps Wolves explore basic aspects of air - an often overlooked substance. Then, they will discover some of the many things that air can do for us.

**Spirit of the Water** - Water, Water everywhere - water to drink, water to cook our food, water to clean our bodies & teeth, and water to play in! Wolf Scouts will learn how to conserve water and keep it clean in their homes and neighborhoods. Then they will have a chance to swim together while having fun and practicing aquatics safety.

**Motor Away** - We live in an electric world. This adventure gives Wolf Scouts the chance to rely on the power in their own bodies by blowing air, throwing planes or using rubber bands. They will have the chance to explore propulsion in its most basic form. Motor, Away, Wolves!

**Shooting Sports Award** - Beyond capturing the enthusiasm that Scouts show for Shooting Sports, the Cub Scout Shooting Award Program is to encourage Cub Scouts the development of safe shooting practices and proficiency in Shooting Sports. As a Cub Scout participates in shooting sports activities and works towards an award, not only are they building confidence in their abilities, but they also develop self-reliance, sportsmanship and conservation awareness - all elements of good character valued in Scouting.

Camp Durant - OSR

## BEAR ADVENTURES

**Bear Claws** - Most young kids are very excited about the opportunity to own and carry a pocketknife. In many families this may be a rite of passage. It is important that the Scouts understand a pocketknife is a tool, not a toy, and how to responsibly handle and use the pocketknife when they are around others.

**A Bear Goes Fishing** - Fishing is a skill that can become a lifelong hobby, or possibly a career. It can be done alone or with family & friends. This Adventure lays some groundwork for the Fishing Merit Badge once the Bear joins a Scout Troop. This adventure is meant to be fun and can be used for teaching several points of the Scout Law such as trustworthy, helpful, courteous, obedient, thrifty, cheerful, clean and even reverent.

**Fur, Feather and Ferns** - In this Adventure, Bears will explore the outdoor world of mammals, birds, plants and more! They will understand that every living thing has a home - often very close by. Bears will also discover that almost every living thing's neighborhood is a home to at least one type of another living thing. Protecting those homes, called habitats, is up to everyone and Bears can help!

**Salmon Run** - This Adventure will introduce Bear Scouts to swimming safety, boating safety, physical development & fitness, skill development and fun on the water. Bears in nature like to swim and play in the water, and so can Bear Scouts.

**Make it Move** - This Adventure teaches the Bears about action and reaction. Using common objects, Bear Scouts will learn about chain reactions, pulleys and levers. The Bears will take all the things that they learn and create a fun Rube Goldberg-type machine.

**Shooting Sports Award** - Beyond capturing the enthusiasm that Scouts show for Shooting Sports, the Cub Scout Shooting Award Program is to encourage Cub Scouts the development of safe shooting practices and proficiency in Shooting Sports. As a Cub Scout participates in shooting sports activities and works towards an award, not only are they building confidence in their abilities, but they also develop self-reliance, sportsmanship and conservation awareness - all elements of good character valued in Scouting.

Camp Durant - OSR

## WEBELOS & ARROW of LIGHT ADVENTURES

**First Responder** - This adventure will provide Webelo Scouts with an introduction to the skills and responsibilities of a First Responder. Activities will cover essential personal safety and first-aid skills.

**Castaway** - Survival skills are essential for anyone who might ever become lost in the wilderness, in a jungle, on a desert island, at sea, or during a Scout hike or campout! This adventure teaches several of those skills to Webelo Scouts, preparing them to deal with emergencies in an outdoor environment.

**Into the Woods** - In this adventure, Webelo Scouts will learn to identify plants & trees and how they differ in locations around the world. They will gain knowledge about ecosystems and the importance of conserving our natural resources.

**Aquanaut** - This adventure will introduce Webelo Scouts to the key principals of aquatics safety and they develop their swimming and boating skills.

**Webelos Walkabout** - This adventure prepares Webelo Scouts for an outdoor experience and hiking activity.

**Earth Rocks!** - Through this adventure, Webelo Scouts will see the relevancy of earth science and how it impacts their daily lives. They will begin to understand the use of rocks and minerals in everyday items. Their investigations will give them an understanding of geological events and they will have the opportunity to learn about geological features in their own state.

**Shooting Sports Award** - Beyond capturing the enthusiasm that Scouts show for Shooting Sports, the Cub Scout Shooting Award Program is to encourage Cub Scouts the development of safe shooting practices and proficiency in Shooting Sports. As a Cub Scout participates in shooting sports activities and works towards an award, not only are they building confidence in their abilities, but they also develop self-reliance, sportsmanship, and conservation awareness.

## Camp Durant Mission Statement

It is the mission of the  
Occoneechee Scout  
Reservation to provide  
Scouts with a safe outdoor  
program full of opportunities:

- ◆ To practice the Patrol Method
- ◆ To encounter leadership and learning experiences that enhance personal skills and result in rank advancement
- ◆ To achieve personal goals
- ◆ To experience the fun and adventure only found outdoors

Camp Durant is Nationally Accredited by the National Council of the Boy Scouts of America. Regionally trained appraisers inspect the camp annually. Key staff members are trained through the BSA National Camp School and all staff members are trained in CPR and basic first aid.

The Occoneechee Council, in collaboration with the community, operates to serve the youth of central North Carolina by providing an environment where leadership opportunities, life-long skills, strong values and morals are the outcomes desired for future generations.

The Occoneechee Scout Reservation and Camp Durant does not discriminate against any person based on race, color, religion, creed, age, marital status or any other legally protected characteristic in the administration of any program.

The Occoneechee Scout Reservation and Camp Durant will endeavor, as far as practically applicable, to meet the needs of the disabled under the direction of the Americans with Disabilities Act of 1990. Any Scout or Leader with a disability requiring the intervention of the camp staff including dietary restrictions (Halal, Kosher) should contact the Camp Administration at least one week prior to attendance at summer camp.

## RESPONSIBLE RECREATION COVID-19

### KEEP YOUR DISTANCE

Practice proper social distancing with people outside your household.

### STAY HOME IF SICK

If you have a fever, respiratory symptoms or are just not feeling well, please stay home.

### WEAR A MASK

When entering an indoor space or interacting with others, wear a face covering.

### OBSERVE GUIDELINES

When visiting new locations, respect established capacity and safety guidelines.
